

## How to Find a Journal Article

Let's say the journal article you are looking for is:

Lee, A. (2003) 'Community Development in Ireland',  
*Community Development Journal*, 38(1), pp. 48-58.

- ⇒ Go to the Library website [www.library.nuigalway.ie](http://www.library.nuigalway.ie) and **Sign In** for full access
- ⇒ Type in a combination of author surname, article title in double quotation marks and/or journal title e.g. Lee "Community Development in Ireland" and click on the Search button

Lee "Community Development in Ireland"

More Search Options Logout

- ⇒ No results will be found, as the default search **excludes** articles
- ⇒ Choose '**Including Articles**' from the drop-down menu
- ⇒ Click on Search and a list of articles will be returned

## Hot Tip: Not all journal articles can be found this way

- ⇒ A journal may only be available in print. If you don't find what you need by article searching, you will need to search by **journal title**
- ⇒ Let's say we're looking for:
- ⇒ Raab, R. & O'Shea, E. (2011), 'In need of reform: Irish pension provision revisited', **Administration**, 59(3), pp. 27-50.
- ⇒ Search for journal title: **Administration** (Excluding Articles)
- ⇒ Click on **Print Locations** to check Availability, Location and Call Number

Journal **Administration**  
IRE IPA
