*This service will improve:*

**Student engagement and experience** of learning resources whether print or online by simplifying access.

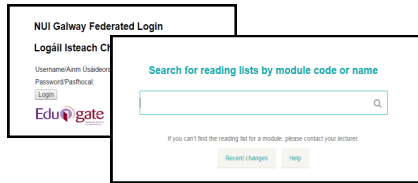

**Academic experience** by removing any need for separate ordering or checking with the Library: we will ensure sufficient access to your learning resources.

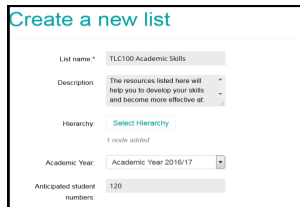

# Using the Reading List Service

Contact [readinglists@nuigalway.ie](mailto:readinglists@nuigalway.ie) for an invitation.

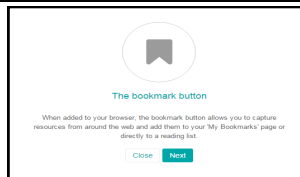

Accept email invitation and login to <http://lists.library.nuigalway.ie>

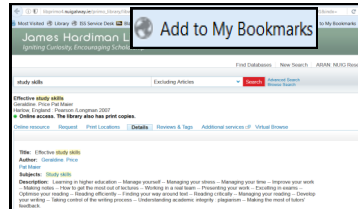

Create your list and link to the relevant module.

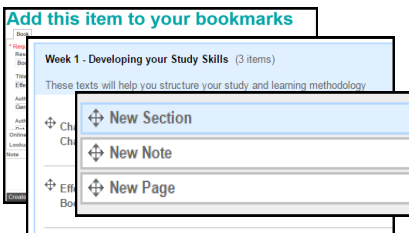

Install the bookmark to your browser.

Bookmark books, articles, websites, YouTube videos for your list from the Library Catalogue/databases/web.

Add items and structure your reading list with notes for students and the Library.

Publish your list and add link to the Blackboard module.

The Library is automatically informed and reviews the list.
