List name * TL100 Academic Skills

Description The resources listed here will help you to develop your skills and become more effective at

Hierarchy Select Hierarchy

Academic Year Academic Year 2016/17

Anticipated student numbers 120

Install the 'Add to my Bookmarks' button to your browser.

This makes adding resources to your list simple and straightforward.

Bookmark books, articles, websites, YouTube videos for your list from the Library Catalogue/databases/web.

Add items and structure your reading list with notes for students and the Library.

Publish your list and add link to the Blackboard module.

The Library is automatically informed and reviews the list.
